Session Dates: September 2-October 28; November 4-January 13

This nine-week series focuses on beginning pointe work. For the safety of the students, it is mandatory that they take two ballet technique classes per week, including the Intermediate Ballet class immediately preceding Pointe. The instructor will need to approve student's enrollment in Pointe during the Tuesday technique class. Please pick up an approval form from Reception as you check in for Intermediate Ballet. Once approved, the student may join Pointe the following week.
